Session: 2020-2021

Under the spectrum of Globalization, the role and activity of the Higher Educational Institutions (HEI's) are drastically changing. Nowadays the role of HEI's is not limited to produce graduates and degree holders, but it has to play a vital role for the development of its human resources. So that these resources can contribute for the upliftment of the society and take active participation on nation-building process. Under the impact of Globalization job markets as well as career potentialities have widened for the youth, but due to lack of proper knowledge and guidance students are not able to harness their goals.

Considering the fact seriously, the IQAC of the H.P.B. Girls' College has introduced a career Counselling and Guidance Cell. The main objectives of the career counseling and Guidance Cell are:

- a) To facilitate all round development of the student
- b) To help students in the proper choice of courses
- c) To help the students in the proper choice of career.
- d) To help the students in the vocational development
- e) To develop readiness for choices and changes to face new challenges.
- f) To minimize the mismatching between education and employment and help in the efficient use of manpower
- g) To help students in the period of turmoil and confusion
- h) To help in checking wastage and strength
- i) To ensure the proper utilization of time spent outside the classroom
- j) To wake up for the deficiencies of them.

By considering all the objectives and goals, the Career Counseling and Guidance Cell since its inception has always tried to undertake some deliberate measures as well as activities, so that these goals and objectives can be achieved.
