Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	H. P. B. Girls' College, Golaghat aspires to become an autonomous college in the near future. Since the college is mainly a single stream institution, multidisciplinary approach in the curricula is
---	---

	<p>reflected through careful selection of courses and subjects for the learners within its limited purview at present. Three tier strategy of teaching: Inter-institution, inter-college and inter-departmental faculty exchanges programme is inculcated. Knowledge sharing by experts in various non-academic fields is streamlined in order to provide a holistic approach for the learners. Experiential learning model is undertaken extensively by the institutions through various methods like Field Works, Extension Works, and Projects. Opening of the Science Stream at the graduate level will enhance more academic flexibility towards interdisciplinary approach, and the 'privilege to choose' from a plethora of subjects.</p>
<p>2. Academic bank of credits (ABC):</p>	<p>The institution advocates access, openness, fluidity and flexibility in the education system through already implemented CBCS system. Since the teaching-learning mechanism of the college is operated through a blended mode, student can avail a smooth Academic Bank of Credit process on the courses offered in the college with the implementation of New Education Policy. The existing CBCS system has prepared the learners to complete their programmes within stipulated time in order to enhance smooth transitions to a Four Year Degree course. It will enable the management to tackle dropout rate and poor enrollment ratio among the students of the institution who are mainly from socially and economically underprivileged sections.</p>
<p>3. Skill development:</p>	<p>The college has introduced several Vocational Courses for skill-enhancement, employability to create 'atmanirbhar citizens'. The institution recognizes the importance of vocational and career oriented education for the self employment of the student. Vocational Course is compulsory for the first semester students. The College offers vocational courses on Cutting Knitting and Tailoring, Food Processing and Food Preservation, Beauty Therapy and Hair Cutting, Diploma in Computer Application, Spoken English, Poultry Management and Entrepreneurship Development. Add-on courses on Poly House, Travel and Tourism offer various dimensions of skill development. Skill Enhancement Courses on Desktop Publishing, NSS, Entrepreneurship Development, Human Rights, Library and Information Science motivates the</p>

	<p>students to professional career in these subjects. The college has potential of setting up income oriented Vocational Training Centres in cognizance with the New Education Policy. More vocational courses in collaboration with industry and corporate sector will be a major thrust area for the institution. The institution has done the requisite formalities to open up PMKVK (Pradhan Mantri Kaushal Vikas Kendra) in the college campus.</p>
<p>4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):</p>	<p>The institution offers programmes on Sanskrit, one of the ancient languages in the world—a language that showcases rich literary and cultural heritage of India. The curricula in the CBCS syllabus incorporates papers on Ancient and Modern Indian Political Thought, Indian Classical Literature and Modern Indian Literature, Indian Philosophy etc to instill a sense of rootedness and pride among the students regarding rich traditions of Indian knowledge system. The use of Assamese language as a major mode of communication in the classroom enables the native learners to understand the topics clearly. In the Social Science Subjects, Assamese is a medium of instruction in the examinations. The institution aims to set up a native language research centre in the coming year to encourage short-term research on local and indigenous knowledge system. The college conducts workshops, add-on course, and lecture series on Yoga. Introduction of short-term course on Ayurveda is a part of the strategic plan of the college. The college has set up an herbal garden with medicinal plants to raise consciousness on alternate medicine of Assam.</p>
<p>5. Focus on Outcome based education (OBE):</p>	<p>After attaining autonomy, curriculum will be redesigned with greater emphasis on Outcome Based Education (OBE). Introduction of additional vocational courses in each semester with focus on OBE is planned. Workshops and Faculty Development Programs on development of materials for OBE will be conducted. Regular assessment of the course-based students' feedback will be institutionalised.</p>
<p>6. Distance education/online education:</p>	<p>The college has two centres for distance education- Krishna Kanta Handique State Open University (KKHSOU) which operates the undergraduate course and the Dibrugarh University Open Learning (DDOL) Centre for postgraduate courses. The college</p>

intends to develop digital Self- Learning Materials (SLMs) to facilitate online learning. Development of a digital library with course videos and materials by faculty members. A few courses to be designed and implemented in online mode via LMS.

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

Response:

The college employs a robust mechanism to use teaching-learning process effectively.

- Each Department is **well-equipped with the LCD projector** and screens. The college provided laptops and printers to all the departments for the smooth functioning of academic activities.
- The college has installed separate Wi-Fi units for the students inside the campus.
- Further, it has a **computer lab and a language lab** with internal LAN.
- **Broadband Leased Line** facilitates high speed Internet connection.
- **G-Suite** is purchased by the college. All the online classes which are held using G-Suite are recorded.
- **100% of the staff** is well familiar with all the latest ICT tools. To strengthen their knowledge, many teachers have participated in the FDPs on **'Moodle' 'Google classroom', Latex**. Some of the teachers have uploaded e-content on **You Tubes**.
- Currently, all the teachers are conducting online classes and exams through **Google Meet, Google classroom and Zoom**.
- Online Lectures are organized by the colleges regularly.
- The language departments regularly use **film screening** of the adapted novels, drama or short story.
- **Language Lab** is very useful and supportive to the students for enhancing their communication skills and soft skills.
- To keep the students and teacher's pace with the changing scenario, library is regularly updated with online resources, **Inflibnet** membership is regularly upgraded and **Shodhganga, eShodhsindhu and allied e-resources** are provided free of cost.
- Social media is skillfully used by the college through its **WhatsApp groups and Facebook** accounts and all these links are visible on the front page of the website.
- The institution encourages teachers to attend **training programmes, workshops, seminars and conferences** related to the ICT use or innovation in teaching-learning.

2.6 Student Performance and Learning Outcomes

2.6.1 Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Response:

- There are **9 programmes in Arts** in the college. Very systematically, from the first year of their college life, the purpose of their academic journey is elaborated through **central and departmental orientation programmes, expert lectures, extra-curricular activities and classroom interactions.**
- In order to focus on the outcomes, the students are categorized in as **Slow Learner** and **Advanced Learner** on the basis of their performances in the **first sessional examination.** Feedbacks are taken regularly from the students which help to evaluate the core understanding of the students about the content of the curriculum.
- **Google Classroom, Group Discussion, Seminar Presentation, Home Assignments, Unit Tests, Sudden tests, Tuesday Test, First Friday and Last Friday Tests** are substantially helping to evaluate the learning outcomes.
- The college provides subject related **Add-On, Value Added and Vocational Education** courses to inculcate the actual outcomes at the end of the course and extend it through their life. Lectures on competitive examinations, career counseling and soft skills are playing crucial role in the overall development of the students.
- Program specific outcomes are measured through **both academic and non-academic** performances of the students. The performance of the students in the internal and external examinations, in the **practical and assignments, participation in class activities, role in departmental activities** are some of the means by which program specific outcomes are measured.
- Students are also encouraged to take part in **competitions, seminars and conferences, research competitions** etc. Their performance within and outside the college in the various academic events provides another index of their learning-levels.
- **Course outcomes** are measured through the performance of the students in the class, practical, internal evaluations, and external evaluations.
- Students are measured continuously based on **their regularity, their receptiveness, participation in class discussions, their answers to questions** asked by the teacher and the overall quality of their conduct.

- Their performance in the internal examinations provides the initial indication of their learning outcome. Teachers provide critical inputs to the students on the basis of this performance to improve their performance in the external examinations.

6.2 Strategy Development and Deployment

6.2.1 The institutional Strategic / Perspective plan is effectively deployed

Response:**Activity implemented based on the strategic plan: Incremental Infrastructural Expansion**

One of the key components of the perspective plan is the development and expansion of infrastructure to meet the future needs of the institution. Some of the major infrastructural developments commensurate with the institutional perspective plan are enumerated below.

The mobilization of financial resources, as one knows is of crucial significance for the growth of an institution. Aspects of activity successfully implemented: In fulfillment of this clause in the Strategic Plan the institution applied for and received the following grants during the last 5-year cycle:

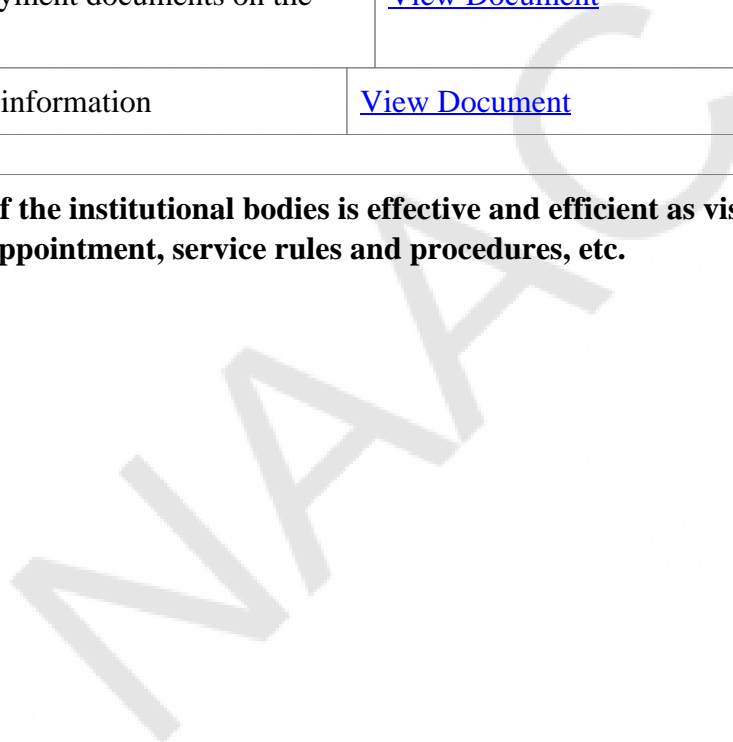

- The college received a UGC grant of **Rupees Two Crores** during the 12th Plan Period. This financial assistance was duly spent on books and equipment, repairs and renovations, and extension activities for the general upliftment of the institution.
- The college received the **Rashtriya Uchchatar Shikshya Abhiyan (RUSA)** Grant of Rs. 2 crores for new construction, renovation and purchase of equipment in the year 2015-16. A Construction Committee was constituted soon after the sanctions of the grant.
- **A Project Monitoring Unit** was constituted where representatives from the faculty members, office staff, Students' Union were incorporated. The coordinator of IQAC was appointed as the coordinator of the Project Monitoring Unit.
- While 90% of the amount was borne by the central government the remaining 10% was provided by the Government of Assam. This entire sum, sanctioned in three installments was meaningfully utilized through the construction, extensive renovation, and purchase of the following
 - **Two storied Canteen cum Guest House**
 - **Upgradation of Classroom Building**

6.2.2 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules and procedures, etc.

Response:

The organizational structure of the college is in two aspects:

- (a) Administrative organization structure.
- (b) Academic administrative structure.

Administrative organizational structure:

1. The College Governing Body as the representative of the government.
2. Principal as the secretary of the Governing Body.

- Representatives from the teaching and non-teaching staff in the governing body.

Governing Body:

- The Governing Body as per the Constitution of the college has 13 members in all. It is headed by a President, a prominent person from the educational field. The Principal is the member secretary of the Governing Body while there are 2 nominees from the Vice-Chancellor of Dibrugarh University, 2 Teacher Representatives and 1 Non-Teaching Staff Representative, 1 from the Library, 3 Guardian representatives (one must be a Woman).

Academic administrative structure:

- The principal as the academic administrator.
- The Vice-principal, as the monitor of all academic affairs
- The Academic committee consisted of the IQAC coordinator and heads of the departments and Academic observers are directly under the principal relating to the academic development of the college.

All the academic and administrative bodies have their allotted responsibilities.

Administrative Set-Up:

- The Principal form the nucleus of the administration as the final authority in all financial matters. The college has two vice principals 1. Academic 2. Administrative.

The Functions of Various Bodies:

The management as well as the Head of the institution maintains a policy of decentralization vis-à-vis the distribution of responsibilities among different bodies constituted by the authority. The bodies under the convenership of teachers are formed for the proper and efficient functioning of the college:

- **Academic committee**
- **Construction Committee**
- **Hostel Committee**
- **Library Advisory Committee**
- **Resource Mobilization Cell**
- **Student Mentoring Cell**
- **Campus Development Cell**
- **Admission committee**
- **Career Counseling and Guidance Cell**
- **Grievance Redressal Cell**
- **Feedback Cell**
- **Research and Extension Cell**
- **Anti Ragging and Anti Sexual Harassment Cell**
- **Alumni Cell**
- **Women Cell**

All these committees are allotted responsibilities in consultation with the faculties in the staff meetings which are held frequently. Moreover all the functions and programs of the students union are also held under the guidance of the teacher advisors.

Service Rules, Procedures, Recruitment, and Promotion Policies:

- Service rules and procedures are guided by the **government of Assam and the University Grants Commission.**
- The faculty is recruited as per the latest UGC norms.
- Guidelines from the government and reservation policy are followed in the recruitments.

- Aspiring candidates are properly screened and interviewed by the Screening Committee with proper representation from the affiliating university.
- The non-teaching staff is recruited as per the vacancy, the cadre and recruitment rules of the government.
- At the time of recruitment of the office staff, additional qualifications and skills are taken into consideration and given extra weightage.
- The recruitment of ad-hoc faculty is determined by the extra requirement of teachers in a particular department.
- AD-hoc faculties are appointed as per the rules framed by the Management.
- The appointment is made on the basis of merit.

6.3.5 Institutions Performance Appraisal System for teaching and non-teaching staff

Response:

The institute has **performance appraisal system** for the departments and their faculty members.

- Every Faculty member keeps records of **daily academic and co-curricular activities** in an Academic Diary given by the administration. The H. O. Ds of the respective departments are in charge of monitoring the diaries. The Principal then crosschecks these diaries on a monthly basis.
- To make the **teaching and non-teaching staff** aware of their academic and non academic achievements, feedbacks are collected annually from the stakeholders.
- The results of **the feedback** are confidentially communicated to the teachers.
- The institution collects feedback from the **alumni and parents** as external evaluators on certain aspects to initiate action for all round development.

The college evaluates the teachers on their teaching and research performance by the methods stated below:

1. **Evaluation of teachers** on their teaching performance by the students is regularly done for improving the performance of the teachers.
2. **Self Appraisal Report** is also collected and discussed in details by the authority to improve their teaching performance.
3. **A thorough discussion on the performance** of every final examination is held in a staff meeting chaired by the principal. The authority consults the departments to eradicate the faults and make the performance of the respective departments better in the near future.
4. Every department reviews the performance after the result and the causes of letdown is sorted out and necessary action is taken to improve the performance further.
5. In **2020, an online feedback system** from the students has been initiated for better transparency and smooth functioning of the mechanism in the wake of this catastrophic situation of pandemic.

6.4 Financial Management and Resource Mobilization

6.4.1 Institution conducts internal and external financial audits regularly

Response:

The institution has a transparent and systematic financial management system. The Governing Body monitors the effective utilisation of financial resources through proper auditing mechanisms. The institution conducts external and internal audits for both Government and Non-Government funds.

The **institution has a mechanism** for settling both internal and external audit of all financial activities.

Statutory Audit (by Chartered Accountant)

Statutory audit of all the accounts maintained by the college is done by a Chartered accountant every year. All financial accounts/matters of the college are audited. On behalf of the Principal, the Head Assistant maintains the accounts of the government funds.

- The **Internal Audit** is done regularly by Internal Auditors appointed by the college authority.
- The **External Audit** is done by the local auditors appointed by the Government of Assam. Since the government has not employed any person for external audit for the last five years, the external audits have been done by the local chartered accountants employed by the institution.

6.5 Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Response:

H. P. B. Girls' College attempts to enhance multidimensional development of individuals through a persistent focus on imparting quality education, through its innovative, comprehensive and flexible education policy. Its Internal Quality Assurance Cell (IQAC) carries out activities that encompass all aspects of the Institute's functioning. A crucial and path-finding role is played by IQAC in the augmentation and sustainability of quality in the educational services provided by the institution. Following are some major steps taken by IQAC:

- **Formulating quality strategies**
- **Monitoring the extension works of the cells and departments of the college**
- **Evaluating curricular and co-curricular activities**
- **Ensuring participation of the stakeholders**
- **Introducing best practices**
- **Organising workshops and seminars**
- **Implementing Audit practice**
- **Establishing linkages**
- **Establishing MOUs**

Practice 1: Partner schools initiative

- In an attempt to extend quality education to the locality, the institution has established a Partner School initiative. Two educational institutions namely **Kacharihat Higher Secondary School and**

Jamuguri Higher Secondary School are selected as partner institutes of the college.

- The Faculty members from the college offers **free mentoring and teaching** to the students of the institutions of Golaghat district.
- Also, H. P. B. Girls' College, Golaghat regularly participates in the events and ceremonies organized by these two partner institutes.
- At the same time, the college also invited the teachers and students from these two schools to **participate in the various programmes** organized by the college. This meaningful exchange of ideas and opinions has enhanced a culture of solidarity and empowerment.

Practice 2: Coaching for Competitive Examinations

H. P. B. Girls' College has been taking holistic efforts to prepare the students for competitive examinations. The college takes great efforts to prepare and encourage the students for such challenging examinations. Considering the utmost need of today's students to compete and face the immense challenges of the modern world, our college established the Career Counseling & Guidance cell.

Objectives of Career Counseling & Guidance Cell:

- To provide awareness to the students about the various types of jobs offered both in the Central and State Government.

6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities (For first cycle - Incremental improvements made for the preceding five years with regard to quality For second and subsequent cycles - Incremental improvements made for the preceding five years with regard to quality and post accreditation quality initiatives)

Response:

IQAC Institutional Review Mechanism

- IQAC conducts **Academic and Administrative Audit**.
- IQAC and the management evaluate the **performance of teaching and non-teaching staff**.
- IQAC encourages **Peer Evaluation** of teachers.
- **Green audit, energy audit and gender audits** are regularly practiced on the campus.
- The institution takes feedback from students on **Institutional Performance** every year since 2012.
- **Students' Feedback system:** Students' Feedback is one of the pivotal measures to assess the quality of the teaching-learning process of the institution. The Feedback Cell of IQAC is instrumental in preparing the questionnaires, collecting the data, and reporting the result.

Practice 1: Review of Teaching-learning process

IQAC periodically reviews the teaching-learning process, structures & methodologies of operations, and learning outcomes: The standard methods of teaching, learning, and evaluation which are proven over the years are being followed.

- **Academic Calendar:** IQAC prepares an Academic Calendar at the beginning of the year in line with the academic calendar of Dibrugarh University. The calendar exhibits the planning of IQAC for the entire year including regular classes, seminars, and workshops.
- **Preparation of lesson plan for each Semester:** IQAC instructs the departments to prepare lessons for each semester.
- **Preparation of Class Routine:** IQAC monitors the preparation of a general class routine to enable the smooth functioning of the classes.
- **Maintenance of Academic Diary:** All the faculty members maintain an academic diary to check their progress.
- **Student Orientation Programme:** Each academic session starts with a **Student Orientation Programme** organized by IQAC.
- A **Student Hand Book** containing programme outcomes and course outcomes is provided to the

students.

- **Extensive use of the ICT method:** To make the Teaching-Learning process more learner-centric and to make curriculum delivery more effective, **ICT method** is extensively used along with the conventional chalk and talk method.
- Teaching is supplemented with **seminars, workshops, special lectures, group discussions, tutorials, micro-teaching, paper presentations by the students, projects, educational tours, and field trips** for effective and extensive curriculum delivery.
- **Feedback on teaching-learning:** The Feedback Cell of IQAC takes feedback on teaching-learning to evaluate the performance of the teachers in order to enhance the continuous improvement of the faculty members.
- **Monitoring of performance of students:** After the first sesional examination, IQAC, Academic Committee and the Departments evaluate the performance of the students. **Advanced Learners** and **Slow Learners** are sorted out after closely examining the performance of the students.
- **Remedial Class: Remedial Classes** are offered to slow learners
- **Initiative for Advanced Learners: Advanced Learners** are encouraged to learn in Self-learning platforms such as **Swayam, Uдеми, Edx etc.** along with editing magazines, anchoring programmes, presenting national and state level seminars etc.
- **Measures during Pandemic:** Considerable measures have been taken by the college to ensure continuity of classes through LMS, Google meet, Google classroom, Zoom like apps. Following measures are taken in this regard:

1. Online Teaching

2. Online Supply of Study Material & Books

3. Online Assessment

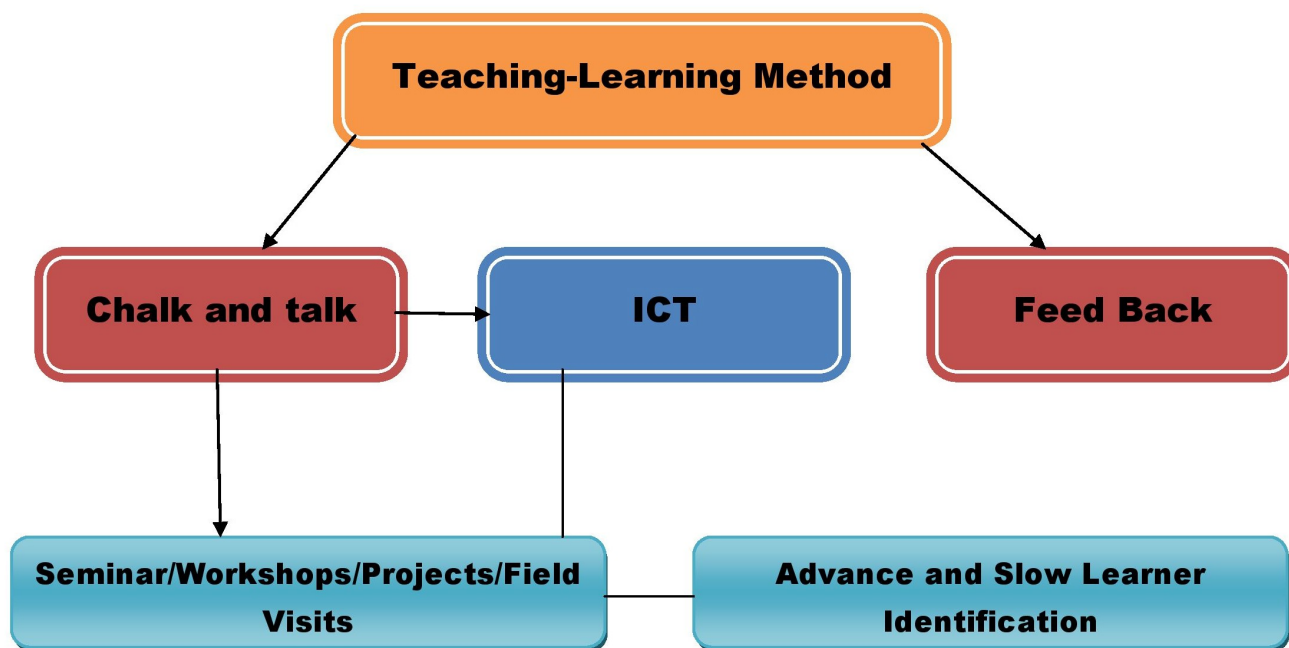

Practice 2

Mentor-mentee system:

- The college has established a robust and effective Student Mentoring Programme initiated and supported by the IQAC.
- The student mentoring program is supervised by the **Mentor Mentee Cell, IQAC**. The Cell has a convener and members from the teaching staff.
- All the faculty members are appointed by the cell as student mentors. After the commencement of a new academic year, each teacher is given charge of **25 newly admitted students**.
- The mentees are assigned to the same mentor for the entire duration of the programme.
- The mentor meets the mentees **regularly and records the outcome** of the meeting. The details about each mentee are recorded and periodically updated.
- The mentor identifies the students performing exceptionally well in curricular and co-curricular activities and reports to the head of the institution/department for providing further motivation to **advanced learners**.
- The mentor identifies the students who perform poorly. The mentor interacts with the students and tries to sort out the cause of the problem. The issues are notified to **the parents, guardians, and the head of the departments**.
- **Attendance: The mentor monitors the attendance of the mentee** on a monthly basis. Those students who don't meet up the attendance of the college are counseled and notified to the parents.
- **Academic Matters:** The mentor keeps a track of the academic performance of mentees including continuous assessment, examination and helps the mentee through counseling or by arranging

remedial teaching, if necessary

- **Health and physical well-being:** The mentor enquires about the **Health and physical well-being** of the student. Students with mental health issues are counseled to approach the **Psychological Counselling Cell** of the college.

7.1.3 Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 500 words)

- **Solid waste management**
- **Liquid waste management**
- **Biomedical waste management**
- **E-waste management**
- **Waste recycling system**
- **Hazardous chemicals and radioactive waste management**

Response:

- An **Energy Audit** was conducted in September 2021 and a **Green audit** in December 2021 by external agencies. The recommendations of the audit have been implemented by the Management.
- The campus has a strict **“Say no to Plastic” policy**. The canteen does not use plastic cups and Plastic water bottles, lunch boxes and files are banned. Instead, staff and students use steel products, jute bags and files.
- **Extinguishers** are easily accessible.
- Food is served in **Banana Leaves** on many occasions.

Solid waste Management

To tackle with the issue of solid waste management, the college has followed two types of treatment. For **biodegradable waste, e.g. fallen leaves of plants has been carried to the Vermi Compost Plant and Organic Manure Plant** of the college.

For **non-biodegradable waste e.g. glass metals**, other utensils has been collected through dustbins and disposed it in buffering places with the help of **Golaghat Municipality Board (GMB)** garbage dispensing vehicle.

- Waste collection bins with colour coding as **degradable and non-degradable waste** are kept at various points on campus.
- Class rooms have bins to collect dry waste. The wash rooms have bins.
- There is **an incinerator** for disposal of sanitary pads.
- Waste paper is used in **Organic Manure Plant**.
- The college is moving towards **paperless administration**: Internal communication, question paper setting, messages to parents and collecting feedback are done electronically.
- Additionally, to dispose of used sanitary pads of the hostel borders **an incinerator** has been set up in the girls' hostel.
- The college has a provision to **dispose of all metal scraps** by selling the same to local scrap dealers from time to time.

Liquid waste Management

1. Liquid waste management system is done through proper drainage system wherewith all the sewage is drained to a deep soak pit.
2. Liquid Waste from Air-conditioners and ROs are used in flower gardens and plants.
3. Rain water is effectively harvested in 3 tanks on the campus.

E-Waste Management

1. The college always prioritizes **to repair the electronic devices** as much as possible.
2. The waste electronic scrap devices are sold **to local scrap dealers**.
3. Biodegradable waste recycling system has been institutionalized by setting up of **Vermi Compost plant, Organic Manure Pit** where biodegradable solid wastes like fallen leaves of plants are disposed and **converted it to an organic fertilizer. The fertilizer is used in herbal and flower gardens.**

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Response:

Best Practice No-1

1) Title of the Practice: Swachh aru Seujia HPB (Clean and Green HPB)

2. Objectives of the Practice

H.P.B. Girls' College deeply believes that a clean, green and a pollution free environment provide a pristine backdrop for an effective learning experience. The College has therefore left no stone unturned in the development of a green ecosystem to provide enrichment to the mind, heart and soul of the students. It has a mesmerizingly beautiful campus which creates a refreshingly soothing impact upon everyone. The college campus located in a clean and pollution-free environment is spread over 14.8 acres. H.P.B. Girls' College is committed to the green movement and has 6 acres (60 percent) of green area. The college invests all efforts to maintain beautify lush green gardens all around the campus. H. P. B. Girls' College since its inception, aims to reduce energy consumption, ensure standard indoor air quality, and improve energy efficiency on campus through methods that are consistent with a safe, secure, and involving the Teacher, Student, and non-Teaching Community within the campus.

3)The Context:

The world is witnessing an unprecedented catastrophe owing to the damage caused by human beings to the eco-system. We needed a robust mechanism to make the college community aware of the urgent need to sustain a clean, green and healthy environment. A clean and healthy environment is a catalyst of effective learning and provides a conducive learning environment. We decided to educate and make aware students on the issues such as renewable energy sources, waste management and recycling to disseminate the concept of eco-friendly culture. We decided to work in the areas of power, plant, water and cleanliness. It was necessary to look forward to make efficient use of available water and other resources. Motivation of employees and students implement green initiatives like minimal use of plastic, switching of lights/fans, use eco-friendly methods of transportation such as no-vehicle zone etc are very important.

4) The Practice:

Following initiatives are employed in the campus:

A) Clean Campus Initiative: Each department is assigned to clean the college campus on a rotation basis. This practice enables the students **and faculty members to inculcate the philosophy of nurturing, cleaning and saving the environment.**

B) Plant and gift a sapling initiative: Plant sapling initiative aims to add more greenery to the college campus. Saplings are planted by the college family on the occasion of **Farewell felicitation program, Foundation Day, celebration of internationally and nationally important days.** Also, the college **gifts saplings to invited guests** of various programmes to showcase its commitment to spread awareness on environmental conservation.

C) Energy Conservation: The policy on energy conservation highlights on developing a proactive and progressive approach to providing energy efficient, responsible, and cost-effective operations on campus. Tube lights and bulbs have been replaced with LED lamps. Optimum power utilization is practiced through this.

- Use of Solar Bulbs and lights
- Use of Sensor Lights

D) Solid waste Management

- For **biodegradable waste, e.g. fallen leaves of plants** has been carried to the **Vermi Compost Plant** and **Organic Manure Plant** of the college. Manure of the plant is used for flower gardens and herbal gardens.
- For **non-biodegradable waste e.g. glass metals**, other utensils has been collected through dustbins and disposed it in buffering places with the help of **Golaghat Municipality Board (GMB)** garbage dispensing vehicle.

E) Liquid waste Management

- Liquid waste management system is done through proper drainage system wherewith all the sewage is drained to a deep soak pit.
- Liquid Waste from Air-conditioners and ROs are used in flower gardens and plants.
- Rain water is effectively harvested in 3 tanks on the campus.

F) E-Waste Management

- So far as E-Waste is concerned the college always prioritizes to repair the electronic devices as much as possible.
- Otherwise the waste electronic scrap devices are disposed through by selling the same to local scrap dealers.
- Biodegradable waste recycling system has been institutionalized by setting up of Vermi Compost plant, where biodegradable solid wastes like fallen leaves of plants are disposed and convert it as an organic fertilizer, which are mainly used for the development of college flower gardens.

G) Efforts for Carbon neutrality: Green footprint through 8 acres of green area out of 14.8 acres campus area

H) Plantations:

- Plantations of commercially viable trees such as Sachi (Agar), Bonsum, Titasopa.
- Plantations of local flora and Fauna and evergreen trees.
- Plantations of flowers and trees that offer food and shelter to birds.
- Plantation of trees that helps in biodiversity.
- Plantation of bamboo trees.
- Maintenance of oxygen zone in the campus

I) Setting up of Herbal Garden: The herbal garden containing traditional medicinal plants and herbs symbolize the rich heritage of alternative medicine in India.

J) No vehicle Zone on Second and Fourth Saturday: No vehicle zone on selected days reduces pollution in the campus.

K) Single Use Plastic Free Campus:

- Use of banana Leaves in the college feasts.

- Prohibition of single use plastic in the campus

L) Oxygen zone in the campus: The institution maintains an area full of naturally grown trees and creepers which creates a tranquil and rejuvenated ambience.

M) Bio-degradable, eco-friendly, natural, renewable resources: The college uses banana leaves in the feasts. Also, baskets and dustbins are made from bio-degradable, eco-friendly, natural, renewable resources.

5) Evidence of Success:

- The college is certified as Clean and Green Campus by the forest department, Government of Assam.
- The college community has become more alert and involved in environmental preservation, cleanliness.
- The green and clean campus initiative orchestrated by the college helps to create a pollution-free ambience.
- Liquid waste management helps to nourish the plants in the herbal garden and flower garden.
- Ban on plastic items, a well implemented waste policy made college campus clean and beautiful.
- Eco-campus strategies employed resulted in one of the beautiful and clean college in the vicinity. It has resulted in attracting more students.
- The fertilizer of Vermi Compost plant and organic manure plant is used in the college

6) Problems Encountered and Resources Required:

Financial constraints are a major drawback in fully implementing the best practice. Projects such as Bio-Gas plant, Waste Recycling Plants need financial assistance from the government. Also, in summer and winter vacations students and teachers remain absent which creates hurdle in implementing the best practice at that time.

BEST PRACTICE NO-2

Title of the practice: Narir Bohumukhi Unnayanar Bheti Nirman (Creating the Foundation for Holistic Development of Young Women)

1. Objectives of the Practice

- To work tirelessly for vocational, ethical, social, spiritual upliftment of women. A morally strong healthy and educated community is thus created through value-based higher education.
- To create a strong base for holistic development of young women.
- To go beyond traditional classroom teaching and inculcate life skills.
- To empower women about their rights and responsibilities.
- To work collectively for the educational, ethical, social, spiritual upliftment of women.
- To create a morally strong healthy and educated community through value-based higher education.
- To work for the emancipation of woman from all sorts of material and psychological barriers.
- To make every family empowered by educating the girls from all strata. We believe that education of a girl means the education of the family and education of the family means the education of the nation.
- To facilitate the scope for socialization for the learners of different socio-economic backgrounds by advocating learning through community participation.
- To inculcate gender sensitization through activity based learning and value added curriculum.
- To cultivate values and means for promoting environmental sensitization among the learners for a sustainable future.

2. The Context

The institution caters to young women coming from various socio-cultural-economic backgrounds. The students gain access to wide-ranging and quality education for a brighter future in life. Many come from the politically volatile Assam-Nagaland border areas. A good number of Adivasi and tribal students also enroll themselves in the college.

H. P. B. Girls' College, maintains a robust foundation for holistic development of young women by going beyond traditional classroom teaching and inculcating life skills. Women are empowered about their rights and responsibilities. The institution works collectively for creating a conducive campus ambience to help learners from diverse socio-economic background to integrate themselves into community of sisterhood. Further, apart from teaching the regular curriculum as per the guidelines of the university, the College introduces different courses such as: value added and vocational courses, training programmes, personality development workshop, coaching programmes for competitive examinations to name a few.

3. The Practice

This practice has many co-related and inter-linked segments. The practice is a continuous one focusing on the entire tenure of a student in the institution.

A) Mentor-mentee system:

- Assertion of self-identity
- Improvement in health and nutrition

- Progress of slow learners

6. Problems encountered and resources required:

Lack of adequate faculty members is a major hurdle in implementing the best practice. The very busy schedule of semester system compels the faculty members to focus more on the completion of syllabi within the stipulated period. Also, the devastating impact of Covid-19 pandemic in the past couple of years resulted in fewer interactions with the students. As each student has her own individual identity, collective attention sometimes may not be enough to address diverse issues of the students. There has to be a constant and conscious effort to find the time, motivation and necessary energy from both students and teachers to ensure the continued success of this practice. Diverse socio-economic-linguistic background of the students must be dealt sensitively to achieve a very satisfactory implementation of this practice.
